Chapter	2
Activity name	Power Hierarchy
Version	1.0 – Note: Version 2.0 will be available soon with more guidance.
Activity Objective	To make the connection between trust building and the way you organize the business. The goal is to maintain high levels of trust and accountability. Many of the historic ways of organising the business can undermine both. This activity helps to raise awareness of the challenge.

Activity Instructions

Draw a picture of how your business works. Then include how you manage people. This is a resource to be used to induct new people into your business and explain how you work.
